PROGRAMS AVAILABLE

JROTC, Anger Management, Sex Offender, and Substance Abuse Treatment Programs

The Hanover facility houses male offenders with moderate to serious committing offenses. Specialized programs include JROTC, anger management, sex offender treatment, and substance abuse treatment. To participate in JROTC, wards must be at least in the 9th grade and on a GED or high school diploma track. Participants can be 18 if they are working toward their GED or high school diploma. Recidivism rates for released juveniles who participated in JROTC while at Hanover JCC are provided in the Reoffense Rates section. Due to a renovation project affecting several cottages, Hanover's population had to be reduced. Beginning in May 2005, the Department systematically lowered the population from 154 to 96 wards. Renovations are expected to be completed in 8-12 months, at which time Hanover's population will be increased.
